Re: Elias v. Ungar's Food Products, Inc.
Civil Action No. 06-2448 (KSH)

Dear Judge Hayden:

This firm is co-counsel for the defendants in the above matter. In accordance with Your Honor's recent Order, I am enclosing a proposed Order reflecting the schedule agreed by the parties for the briefing of the defendants' decertification and summary judgment motions. As directed by the Court, all briefing will be completed by September 30, 2010.

In addition, the defendants respectfully request that they be granted leave to file a 50-page brief instead of the usual 40 pages. Given the importance of certification to the case, recent changes in the law and the complexity of the issues involved, we believe it would be beneficial to both the parties and the Court to extend the page limit on this one occasion.

Thank you for your consideration in this matter.

Respectfully submitted,
